

The 3rd IWTRC

International Workshop of the Typhoon Science and Technology Research Center

October 21-22, 2025
Hamagin Hall, Yokohama, Japan

Workshop Aims

1. To introduce and discuss the latest scientific findings related to tropical cyclones.
2. To present keynote lectures on cutting-edge research and current scientific challenges by three distinguished invited speakers.
3. To provide a forum for Asian typhoon researchers, especially early-career scientists, to present their work and receive feedback from peers and experts.
4. To introduce past and ongoing activities of TRC and discuss its future directions.

Keynote Lectures

Prof. Zhe-Min Tan (Nanjing Univ.)

Prof. Robert Rogers (AP-TCRC)

Prof. Suzana Camargo (Columbia Univ.)

Important Dates

Abstraction submission period :

June 20 - August 20, 2025

Deadline for travel support application:

August 20, 2025

Deadline for registration payment:

September 20, 2025

Public Symposium

Storm Tamers : International Workshop on TyphoonShot

October 23, 2025 13:00 - 16:00

panelists

In addition to Keynote lecturers,

Prof. Chun-Chieh Wu (National Taiwan Univ.)

Prof. Yuqing Wang (Univ. of Hawaii)

Prof. Johnny Chan (City Univ. of Hong Kong)

Prof. Roger Smith (Univ. of Munich)

We warmly invite researchers in tropical cyclone science to participate in this event too.

Director of TRC: Hironori Fudeyasu (YNU);

Chair of Local Scientific and

Organizing Committee (LSOC): Masaki Satoh (YNU/UTokyo)
