

第2回日中韓気象学会共催シンポジウムの講演応募について

2006年10月11～12日（13日は韓国気象学会大会）に開催される第2回日中韓気象学会共催シンポジウムの講演応募について下記のようにアナウンスがありました。参加される方はこれに従って応募してください。

Call for Papers -First announcement-June 2006

Korea-Japan-China Second Joint Conference on Meteorology

Date: October 11 -13, 2006

Venue: KINTEX Conference Center, Ilsan City, Korea (website: <http://www.kintex.com>)

Korea-Japan -China Second Joint Conference on Meteorology will be jointly held by Meteorological Societies of Korea, Japan, and China. Topics of interest will include meteorology and atmospheric chemistry in East Asia such as Asian monsoon, weather forecast, and climate change, Asian aerosols, radiation, regional air pollution and its environmental impact. Convenors delightfully welcome scientists from Korea, Japan, and China, as well as from other countries.

We welcome paper submission in following areas:

Theme: High Impact Weather and Climate in East Asia: Understanding, Prediction, and Society

- (1) Typhoon (Convenors: Prof. H. Joe Kwon, Kongju National University, Korea, hjkwon@kongju.ac.kr; Dr. Ming Xu, Shanghai Typhoon Institute, China; Dr. Yoshio Kurihara, Frontier Research Center for Global Change, JAMSTEC, Japan)
- (2) Yellow Sand (Convenors: Dr. Young-Shin Chun, METRI/KMA, Korea, yschun@metri.re.kr, Dr. Zifa Wang, IAP, Chinese Academy of Sciences, China; Dr. Masao Mikami, MRI/JMA, Japan)
- (3) East Asian monsoon (Convenors: Prof. Kyung-Ja Ha, Pusan National University, Korea, kjha@pusan.ac.kr; Prof. Masahide Kimoto, CCSR, University of Tokyo, Japan; Prof. Ding Yihui, NCC/CMA, China)
- (4) Ocean-atmosphere coupled model (Convenors: Dr. Won-Tae Kwon, METRI/KMA, Korea, wontk@metri.re.kr, Prof. Yongqiang Yu, IAP, Chinese Academy of Sciences, China; Dr. Akio Kitoh, MRI, Japan)
- (5) General topics on meteorology (Convenors: Prof. Wookap Choi, Seoul National University, Korea, wchoi@snu.ac.kr)
- (6) THORPEX* (Convenors: Dr. Jae-Cheol Nam, METRI/KMA, Korea, jcnam@metri.re.kr; Prof. Seon-Ki Park, Ehwa Woman University, Korea; Prof. Dehui Chen, CMA, China; Dr. Tetsuo Nakazawa, MRI, Japan)
*The Observing system Research and Predictability EXperiment (<http://www.wmo.int/thorpex>)
- (7) Air chemistry & ABC-EAREX* (Convenors: Prof. Soon-Chang Yoon, Seoul National University, Korea, soon@snu.ac.kr; Prof. Yutaka Kondo, University of Tokyo, Japan, Prof. Guang-Yu Shi, IAP, Chinese Academy of Sciences, China)
*Atmospheric Brown Cloud-East Asian Regional EXperiment (<http://abc-gosan.snu.ac.kr>)

How to submit: One page abstract can be electronically submitted to the first convenor for the session

in interest by using the provided e-mail address.

Submission deadline: July 31, 2006

For more information: Please visit the KMS website (<http://www.komes.or.kr>) or contact Prof. Wookap Choi, Seoul National University, wchoi@snu.ac.kr

注) 「天気」53巻5号(2006年5月号) p. 423に掲載した「第2回日中韓気象学会共催シンポジウムのお知らせ」で、期日を2006年11月11～12日とお知らせしましたが、2006年10月11～12日の誤りでした。お詫びして訂正します。
