Hosted by

Local Organizing Committee (LOC) of

Japan-China-Korea Joint Conference,

Meteorological Society of Japan

Background and Objectives

Meteorological Society of Japan (MSJ), Chinese Meteorological Society (CMS), and Korean Meteorological Society (KMS) have agreed to strengthen the mutual cooperation and friendship in the field of the Atmospheric Science on the basis of equal benefits, organize regional activities in the field of meteorology, and widely inform the activities of the meteorological societies of Japan, China, and Korea to the world community. Based on this agreement, three international conferences have been held in the past:

- (1) First China-Korea-Japan Joint Conference on Meteorology
13-14 May 2005, Tokyo, Japan
- (2) Second Korea-Japan-China Joint Conference on Meteorology
11-13 October 2006, KINTEX, Goyang, Korea
- (3) Third China-Korea-Japan Joint Conference on Meteorology
13-16 November 2007, Beijing, China

After the consultation on the successful cooperation, the three parties have reached the agreement to continue the second round of the joint conferences once in every two years.

We encourage you to participate in the Fourth Japan-China-Korea Joint Conference on Meteorology.
