SOLA 4th JCK-JC Special Edition

The 4th JCK-JC local Organizing Committee has decided to publish **JCK-JC SOLA special edition**. We would like to invite you to submit your original research product to **SOLA**.

SOLA is a Web based research letter, which rapidly distribute scientific discoveries, new findings and advances of understanding in the atmospheric and related sciences especially in the interdisciplinary areas.

SOLA is published by the Meteorological Society of Japan and it is free to download through the web site (<http://www.jstage.jst.go.jp/browse/sola/>). The final disposition of acceptance or rejection of the manuscript will be decided within two months after the reception of the submitted manuscript. For detail, please see the SOLA publisher site (<http://wwwsoc.nii.ac.jp/msj/sola/>).

The deadline for submission is the end of coming January. If you will have any question, please contact to the secretariat (sola_edit@netsoc.jp).
