

IAMAP/IAPSO 1985年ハワイ合同研究集会のお知らせ

1985年8月5～16日 Hawaii Honolulu で“気候”を主テーマとした IAMAP/IAPSO の合同研究集会が開催されることになりました。各種のシンポジウムが計画されています。

Themes for Symposia

Joint Symposia (Lead Association in parenthesis)

- JS-1 The Southern Oscillation and El Nino (IAPSO)
- JS-2 CO₂ in the Ocean/Atmosphere System (IAMAP)
- JS-3 Monitoring the Ocean/Atmosphere System—New Techniques (IAPSO)
- JS-4 Modeling the Global Ocean/Atmosphere System (IAMAP)
- JS-5 Heat Transports; Heat and Water Budgets (IAPSO)
- JS-6 Monsoon Circulations in Ocean and Atmosphere (IAMAP)

IAPSO Symposia

- O-1 The World Ocean Circulation Experiment (WOCE)
- O-2 Formation of the Main Ocean Thermocline
- O-3 Low Frequency Dynamics in Mid-Latitudes
- O-4 Dynamics of the Mixed Layer
- O-5 Variations of Sea Level
- O-6 Physical and Chemical Oceanography (Poster Session)

IAMAP Symposia

- A-1 Atmospheric Chemistry and Climate
- A-2 Long-Range Transport of Trace Substances to Remote Regions

- A-3 Clouds and Radiation (including the cirrus cloud problem and early results of ISCCP)
- A-4 Nowcasting IIa
- A-5 Planetary Boundary-Layer Physics (including small-scale process in the marine boundary layer)
- A-6 Role of Air/Sea Interaction in Mesoscale Development
- A-7 Convective Processes and their Feedback onto the Larger-Scale Motion
- A-8 Weather Forecasting in the Tropics
- A-9 Comparative Climatology of the Terrestrial Planets
- A-10 Clouds in Planetary Atmospheres
- A-11 Remote Sensing over the Polar Regions
- A-12 Polar-Midlatitude Interactions
- A-13 Variability of Aerosol Optical Properties
- A-14 Tracing Large-Scale Motions over the Oceans by Measurements of Atmospheric Electricity
- A-15 Climate Effects of Nuclear War

Hawaii での研究集会への参加は、私費でも私達の手のとどこかぬ額ではないと思いますので、今から計画されて多数の人達が参加されることを希望します。

尚、この研究集会の詳細については直接下記に連絡してください。

American Geophysical Union Joint Assembly
2000 Florida Avenue, N.W.
Washington, D.C. 20009

地物研連 気象分科会
幹事 小野 晃
